*Ms. Brandee Menick  
Assured Comfort Heating, Air, Plumbing  
7085 Highway 78  
Winston, Georgia 30187*

*Dear Brandee:*

*Fulton County Division of Family and Children Services (DFCS) would like to sincerely thank Assured Comfort Heating, Air, Plumbing for donating pampers, pull-ups and wipes. The agency goal is to assist families in need and to protect children from harm. Our families and children have various needs, but a common need is toiletries items. Items such as these we take for granted, but for some it is a hardship. We are very much appreciative of your company's willingness to invest time and energy in this worthy project to make a difference in the lives of our children and families.*

*We commend you for your generosity and support you have shown to Fulton County DFCS. Dick Gregory said, "One of the things I keep learning is that the secret of being happy is doing things for other people." We greatly appreciate your thoughtfulness. Please convey our gratitude to everyone who assisted with the donated items.*

*Thank you for caring and sharing.*

*Best regards,*
